

Fellow of American Society of Nephrology

Fellowship in the American Society of Nephrology (FASN) recognizes the dedicated member's proven professional contributions and their diverse set of skills and comprehensive knowledge of all aspects of nephrology. The FASN designation lets colleagues and patients know that you are part of an outstanding group of nephrology professionals. Fellowship is open to practitioners from all specialties and investigators conducting research in areas relevant to nephrology who meet the rigorous standards outlined below.

Apply for Fellowship

To apply for fellowship, applicants must meet four of the seven pathway requirements:

1. ASN Activity

Serve ASN in one of these areas within the previous two years:

- + ASN Council
- + ASN Committee or another panel
- + Editor-in-Chief, Deputy Editor, or Editorial Board member for any ASN publication as well as Education Director for any of the Society's activities
- + Reviewer for ASN abstract submissions

2. Board Certification in Nephrology

Document certification by one of the American Board of Medical Specialty's certification boards in nephrology, pediatric nephrology, or pathology (with a specialization in renal pathology). International candidates may submit an equivalent credential.

3. Continuing Medical Education (CME) Credits

Complete a total of at least 70 hours during the past two years of AMA PRA Category 1 CME credits.

4. Grant Support/Funding

Receive peer-reviewed, extramural support within the past five years from a federal entity (such as the National Institutes of Health, the Agency for Healthcare Research and Quality, or the Department of Veterans Affairs), the American Society of Nephrology, or another organization.

5. Publications

Publish at least five articles in peer-reviewed journals during the past five years or present poster or oral abstract(s) during two of the last five ASN Kidney Weeks.

6. Public Service

Unpaid, volunteer service to the nephrology or primary-care medicine community or as a peer reviewer. (Submit one letter from a supervisor.)

7. Teaching

Teach at least 30 hours in a local, state, or national instruction in nephrology during the past two years (Submit one letter from a supervisor.)
