

GSK is delighted to present our

Exhibitor Spotlight at ASN Kidney Week 2022

Physician-Patient Discussion: Does Patient Care Need to Evolve for Anemia of CKD?

Steven Fishbane, MD
Northwell Health and Hofstra
University, Great Neck, NY

November 5, 2022 | 10:00–10:45AM
Exhibit Hall – West Building, Theater 1

Orange County Convention Center, Orlando, FL

Join Dr. Steven Fishbane and Erich, a patient with anemia of CKD, as they discuss the unmet needs in anemia of CKD. We will also hear the patient perspective on the impact of anemia of CKD on daily life.

CKD, chronic kidney disease.

The Exhibitor Spotlight is not a Continuing Education (CE) activity.

PSE-US-1397 | Date of preparation: October 2022
