

RARE DISEASE ACROSS THE LIFESPAN: Helping Patients With Cystinosis Thrive Into Adulthood

Please join us at ASN Kidney Week 2024 for a dynamic educational program focused on comprehensive rare disease management from patient and provider perspectives.

EXHIBITOR SPOTLIGHT

Saturday, October 26, 2024

12:00–12:45 PM PT

Lunch will be provided

Theater #1, Exhibit Hall A

(Main Entrance at Hall B)

San Diego Convention Center,
San Diego, CA

In-person only event open to fully registered ASN Kidney Week participants. Seating is first come, first served.

Program Highlights

- Discuss evolving needs in cystinosis management beyond the kidney and opportunities for enhanced multidisciplinary collaboration throughout patients' lives
- Explore patient and provider perspectives on key challenges and best practices for providing comprehensive and supportive cystinosis care
- Better understand the lived experiences of adults with cystinosis and strategies to help improve long-term outcomes and quality of life
